**Muscogee (Creek) Nation Reschedules High School 'Challenge Bowl' Due to Inclement Weather**

OKMULGEE, Okla. — Due to inclement weather, the Muscogee (Creek) Nation High School 'Challenge Bowl' competition scheduled for Tuesday, Feb. 4 has been rescheduled for Thursday, Feb. 13.

The purpose of the Muscogee (Creek) Nation Challenge Bowl is to encourage Muscogee (Creek) children to learn more about the Creek Culture, history, government and language using traditional values of brotherhood as the foundation. The challenge bowl is divided into three age divisions: elementary, middle school and high school.

This year, 27 high school teams are scheduled to compete.

The MCN Challenge Bowl is unique from other academic competitions in that students are quizzed on Creek history, language, stories, notable citizens, government, historical sites and many other facets of the Muscogee (Creek) Nation.

For more information about the MCN Challenge Bowl, please visit [muscogeenation-nsn.gov](http://muscogeenation-nsn.gov).
